STAR AND ADAMANTINE CANDLES

THE undersigned continue the manufacture of their celebrated Candles, of the different sizes, four, five, six, and seven to the pound, All Warranted Full Weight.

Consumers will find it greatly to their interest the head anidies in preference to those that are sold of Many Candles that are really seven to the pound, are branded and sold as sixes, making a difference against the consumer of five pounds to the box. The variation usually made in the price is not proportion d to this difference, as the following statement shows: A Box of Sevensco: tains 247 Candles, and

is sold for 35 pounds, which is the actual A Box of 14 oz .. or "Short Weight Sixes. contains only 240 Candles, SAME SIZE AS SEVENS, and is sold for 40 pounds.

Supposing the price of the former to be 20 cents, and the latter 18 cents, there will be a difference of twenty cents in price and seven Canelles in count per box, in favor of the full weight Canelle to retailers and consoners; and this will be increased five cents per box for every cent always in order. bus for every cent advance in price ese interested would do well to examine he subject for themselves. 24 West Second street, Cincinnati dec15-datriw6m
